

NOTICE TO STUDENTS OF 2020/2021 BATCH

As per the by-laws of the Faculty of Urban and Aquatic Bioresources, students who have completed 90 credits with a GPA of 2.00 or above by the end of their third year are eligible to obtain the **BSc General Degree**.

Students from the **2020/2021 batch** who intend to graduate with the general degree should formally request the awarding of the BSc in Aquatic Bioresources **or** BSc in Urban Bioresources, depending on their field of study.

If you intend to graduate with the general degree, please complete the attached form and submit it to the Faculty Office **on or before 18th November 2024**.

Please note that students who graduate with the General Degree will not be eligible to continue into the fourth year, sit for fourth-year examinations, or pursue the Honors Degree.

*Further, In accordance with Commission Circular No. 09/2021 issued by the University Grants Commission, **no changes to your name** will be allowed after the effective date of your degree. (The effective date for the general degree is the day following the last day of your third-year second-semester examinations.) Therefore, please ensure that the name in your student record book matches exactly with the name on your birth certificate. If any corrections are needed, they must be formally requested prior to this date.*
